

**IN PARTNERSHIP, NOR-CAL EMS AND SIERRA COUNTY
PRESENT TWO COURSES:**

1. The approved **STOP THE BLEED training course
developed by the American College of Surgeons**

**FREE TRAINING!
2 EMS, BRN CEs**

A person who is bleeding can die from blood loss within five minutes. Thus, it is critically important to quickly stop blood loss. Those nearest to someone with a bleeding injury can make a life-saving difference, if they are adequately trained to provide first care. This course offers training in basic bleeding control techniques such as direct pressure, packing and tourniquet application.

**2. Region III Infectious Disease
Transportation Plan Tabletop Exercise**

**FREE TRAINING!
2 EMS, BRN CEs**

OBJECTIVES WILL INCLUDE:

- Review of the transportation plan.
- Discussion of the protocol for Treatment, Transportation, Destination Determination, and Notifications for confirmed or suspected EVD patients.
- Discussion of the protocols for waste management.
