TWO RIVERS RUN THROUGH IT

Downieville Volunteer Fire Department seeks a Resident Paramedic/Firefighter to serve as a Field Paramedic and EMS Operations Manager as well as have an interest in Community Paramedicine. Responsibilities include responding to both Ambulance and Fire 911 calls, assisting with Urgent Care, responding to Public Health emergencies, Day-to-Day Ambulance Management including office administration, budget, training and teaching EMTs. Hours are 5 days per week, plus call. Additional compensation for after-hours calls. There is an expectation of responding to calls if you are in the community during your off hours. This person would work with a highly trained volunteer team of EMRs, EMTs, AEMTs and Firefighters to provide BLS and ALS care in western Sierra County. The small town of Downieville is located in Tahoe National Forest and has long been a popular area for outdoor recreation. The response area includes Sierra City and the 500 square miles of forests on the west side of the Yuba Pass. Today it is a mecca for mountain bikers.

Ideal candidates should have 3 years field experience and 1 year in admin/operations and grant management. Must be proficient with electronic medical records and Microsoft Office.

Job Type: Full-time. Live and work in Downieville, CA. Transitional housing available.

Salary: \$70,000.00 /year plus health insurance and housing stipend.

Required License and certification:

- California Paramedic
- Nor-Cal EMS Certified
- CDL with ambulance endorsement
- CPR, ACLS and PALS

As a valued member of the Downieville Fire Department, you make it possible for the team to provide the highest level of service possible with the available resources. You will be expected to be courteous and professional by treating others fairly, honestly and with respect. You will actively promote safety and set the example promoting ethical conduct and avoiding questionable behavior. Through these efforts you will inspire the respect and confidence of your team members, supervisors, other agencies, and those we serve. Your conduct, whether actual or perceived, directly affects the image of yourself, your co-workers and the Department. The expectation is that you will show a genuine concern for those you work alongside as well as the patients we treat. Advocating the Departments goals and Values by helping in the development of a new more flexible EMS system.

Under the Direction of the Medical Director & EMS Captain.
