

**Global Medical
Response**

ADVANCED AIRWAY

Provides One and One Quarter (1.25) Hours of Continuing Education Credit

National Paramedic Refresher Course Series

DATE/TIME:

November 9, 2022

9:00 - 10:15 PM PACIFIC TIME ZONE

LOCATION

Virtual over Zoom —A link will be provided at the time of registration

COST : \$10.00

No cost for GMR employees, please use the GMR Employee ticket type.

Scope

This webinar is appropriate for Pre-Hospital, Air/Ground first responders and critical care nursing staff. Webinar topics and materials will provide attendees with information to assist with tools to assist in managing patients with advanced airways.

Instructor:

Roger Williams, MD

Medical Director, AeroCare & Gallup Med Flight
Assistant Medical Director, Sunrise Air Ambulance

Objectives:

At the conclusion of this course, attendees will have a better understanding of:

1. Airway decision making and the implications of performing drug assisted intubation
2. The latest standard of care and evidence-based approach to safely perform advanced airway management
3. Indications, contraindications, dosages and side effects of the most common medication used for drug assisted intubation
4. Post intubation management and the safe transport of the intubated patient
