

Mountain Communities Healthcare District
Trinity Life Support CSD

AMBULANCE SERVICES

Emergency Medical Technician: We have Full time, benefited positions available as well as casual (as needed), non-benefited positions available. We are seeking candidates for both 12 and 24 hour shifts. We are seeking a candidate who understands and is able to perform advance life support treatment and transport for ill and/or injured patients; has the ability to perform CPR as needed; observe and report changes in patient status and assures that the ambulance is appropriately stocked with supplies.

Our ideal candidate has the following qualifications: EMT certificate active and in good standing; Minimum of one year of EMT experience preferred but not required; BLS required; CA Ambulance Driver Certificate required. Starting pay is \$26/hour.

Paramedic: We have Full time, benefited positions available as well as casual (as needed), non-benefited positions available. We are seeking candidates for both 12 and 24 hour shifts. We are seeking a candidate who understands and is able to perform advance life support treatment and transport for ill and/or injured patients; has the ability to perform CPR as needed; observe and report changes in patient status and assures that the ambulance is appropriately stocked with supplies.

Our ideal candidate has the following qualifications: State of CA Paramedic license active and in good standing; NorCal EMS Paramedic certificate active and in good standing; Minimum of one year of EMT and/or Paramedic experience preferred but not required; BLS required; ACLS required; PALS required; CA Ambulance Driver Certificate required. Starting pay is \$28/hour.

Trinity County is a great place to work, check it out!
